NEW

Kanlux VARSO HI

Two shapes to choose from:
square (L)
and **round (O)**.

Power: **36W**

Version with
or without a sensor.

Light colour
temperatures **NW**.

Kanlux VARSO HI

The advantages of the new series VARSO HI: **high luminous flux and high end finish.**

This is a very good proposition for developer investments.

Kanlux

Kanlux VARSO HI

High resistance to weather conditions.

Kanlux VARSO HI is a IP54 rated (dustproof and water splash-proof).

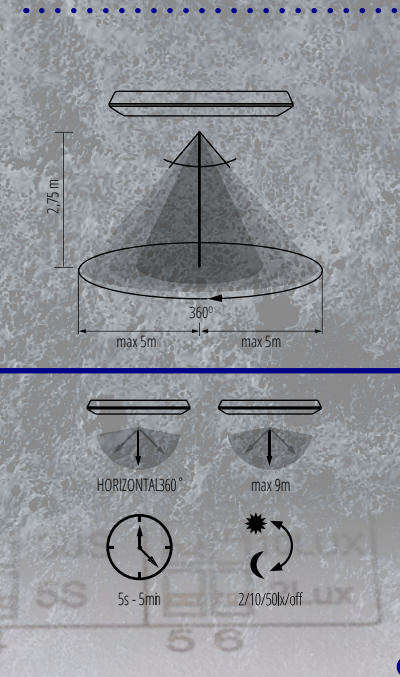

We can use it both: inside (bathrooms, corridors, communication lines, premises, kitchens) as well as outside the buildings: on balconies, terraces, sheds or façade.

**IP**
54
