Aleria is a small lamp that does not take up any unnecessary space, but at the same time provides a good functional light. With its soft shapes and elegant design, this lamp becomes a beautiful decoration for your outdoor space. Aleria is made of galvanized steel and would be perfect by the driveway, front door or garage.

The beautiful and durable version in galvanized steel is especially suitable for use in harsh coastal climates. Nordlux offers a 15-year warranty on galvanized steel. This warranty includes extensive corrosion in the form of holes in the metal caused by rust.
