Alec

Item number: 2110350103 Black
 EAN: 5704924006968

Packaging unit 3
 Material: Plastic/Plastic
 IP20/44, Class 2 (Double isolated), 230V
 LED MODUL, Light source incl. 6,1w led
 Parallel connection possible

Area: Indoor

Alec is a series of round, glare-free downlights with three-step Mood-maker™ dimmer on the regular wall switch. The dimmer function gives you three different options of setting the right light: the main light on 100%, the main light on 50% or only the outer light ring which works perfectly as a night light. The built-in memory function remembers your last setting. This downlight is suitable for bathrooms or other humid areas (IP44).

Lightsource info (pr. lightsource)
