Perfect as a bedside light in the children's room 
The opal white glass shade provides a soft, diffused light

Bruna Bear is a cute decoration for children's rooms or nurseries. The bear has an opal white nose that provides a soft, diffused light that is perfect for bedtime reading and for making your little ones feel safe during the night.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
