• GU10 bulb included • Directional light

Canis is a classic round downlight for indoor use, featuring a metal frame that fits beautifully into any home. Canis comes with a GU10 bulb.

The downlight emits a functional white light (6500 kelvin), which is particularly suitable for the kitchen, hallway or corridor, where you need good, practical lighting. The downlight is adjustable, making it highly functional as you can direct the light wherever you need it.
